

ABOUT THE NEENAH ANIMAL SHELTER

Since 1962, the Neenah Animal Shelter has been a part of the community, providing care and compassion for a variety of animals in all conditions. We see all pets as part of our community. How we treat them is a reflection of our humanity. When they have nowhere else to go, they can come to us, and we will help them find a new start in life – another chance to be loved.

The shelter is a 501(c)(3) non-profit organization, and a State of Wisconsin licensed animal shelter. We are virtually 100% self-funded, relying primarily on donations and event fundraising to support our mission.

OUR MISSION

The Neenah Animal Shelter exists to humanely care for lost, surrendered, neglected, impounded and abandoned pets until loving, forever homes are found for them. Our LifeFirst™ philosophy is a commitment to never euthanize any animal because of lack of space or funding, but to save, restore and rehome all adoptable animals under our care. Our goal is to improve the quality and strength of the bond between people and their pets through education and example.

ABOUT FURRY FLURRY

Now in it's seventh year, Furry Flurry Benefit Walk for Pets is a fun-filled, animal centered event that features a 2K (about 1.3 miles) walk through beautiful Riverside Park in Neenah, located along the Fox River. The event includes music, raffles, vendors, a bake sale, much more. Furry Flurry is a great opportunity to share a special day with your animal loving community.

Proceeds from the event help the Neenah Animal Shelter provide food, shelter, medical treatment and forever homes for companion animals in need.

Join us and walk as an individual, or gather friends, family and co-workers to form a team. Everyone is welcome – with or without your furry friends! The event is held rain or shine.

WHY PARTICIPATE IN THE FURRY FLURRY?

- The Neenah Animal Shelter depends on partners like you to help us care for hundreds of abandoned, lost and unwanted animals each year, as we receive no government funding.
- Participating in the walk is a great way to take direct action to support a cause about which you're passionate.
- You will feel a sense of pride joining with a community that is also committed to helping homeless animals.
- You will be surprised at the outpouring of support as you raise pledges.
