Our Mission

The Neenah Animal Shelter exists to humanely care for lost, surrendered, neglected, impounded, and abandoned pets until loving, forever homes are found for them. Our LifeFirst™ philosophy is a commitment to never euthanize any animal because of lack of space or funding, but to save, restore and rehome all adoptable animals under our care. Our goal is to improve the quality and strength of the bond between people and their pets through education and example.
